TUESDAY, SEPTEMBER 29, 1767.

An Ordinance and Declaration of the King of Denmark, with reſpect to the Liberties granted the Free Ports of St. Thomas and St. John, in the Weſt-Indies; given and granted at the Caſtle of Chriſtianſburgh, the 22d of April, 1767.

We Chriſtian the Seventh, by the Grace of God King of Denmark, Norway, &c. &c. &c. ſend Greeting.

ALTHOUGH our American Iſlands of St. Thomas and St. John, have already, by our Royal Father, deceaſed, on the 9th of April, 1764, been declared to be free Ports or Havens; We have nevertheleſs thought proper, not only to confirm and eſtabliſh the ſaid gracious Ordinances and Declarations, but further, from a Conviction that an Extenſion of Commerce will be beneficial to the ſaid Iſlands, and the Inhabitants thereof, Do therefore graciouſly permit, and give free Liberty to all Foreigners and Nations in Europe and America, without Exception, as well as our own Subjects, freely and uninterruptedly to trade and traffic, in the aforeſaid free Ports, ſo that they may go thither with Ships and other Veſſels, with Merchandizes, Proviſions and Materials of every Kind and Nature, to ſell and barter the ſame there; and in Return lade in their Veſſels, and carry thence, all Sorts of Effects and Wares, and proceed therewith either to Europe or elſewhere, as they may think proper, under the Conditions and Reſtrictions following, according to which all and every Perſon and Perſons are to conduct themſelves; that is to ſay,

FIRST CONDITION.

Relating to the Ships and Veſſels of foreign Nations, with the Goods brought in, and carried out by them.

1ſt Article. On all Merchandizes, without Exception, imported in foreign Veſſels from any Port, except America, and ſold there, ſhall be paid into our Coffers, at our Cuſtom-Houſe, a Duty of ſix per Cent. on the true and juſt Value of the Goods at the Time, and for which they were ſold, according to the Valuation made by our Cuſtom-Houſe Officers, firſt reducing from the Sum Total of the Sales the ſaid Duty. After which ſuch imported Goods, for which Duty has been paid, may be re-ſhipped from the ſaid Iſlands Duty free.

2d Article. But if the Merchants or Shippers of ſuch imported Goods cannot ſell or barter the ſame there, they ſhall in ſuch Caſe be permitted to carry them thence, without paying any Duty, *provided* they have, on their Arrival, been duly reported at the Cuſtom-Houſe; and provided alſo, that ſuch Goods are carried thence the ſame Voyage, and with the ſame Veſſel in which they were imported; otherwiſe, if they are not re-ſhipped the ſame Voyage, and in another Veſſel, they ſhall be bound to pay the aforeſaid Duty of ſix per Cent. on their Value.

3d Article. All American Goods and Products, of what Name they may be, imported into the ſaid free Ports, from the foreign American Colonies, ſhall pay into our Coffers two and an Half per Cent. and the European Goods ſix per Cent. on the Value of the Goods, in the Manner abovementioned.

4th Article. All American Products exported from the ſaid free Ports, in foreign Veſſels, whether they be the Product of the ſaid Iſlands of St. Thomas and St. John, or whether they have been imported there from elſewhere, and for which a Duty of two and an Half per Cent. has already been paid, ſhall, without Diſtinction, on their Exportation, pay into our Coffers a Duty of five per Cent.

5th Article. All Proviſions, Materials for Building, Neceſſaries for Plantations, Flour, Rice, Beans, Indian Corn, Live-Creatures and Horſes; Staves, Hoops, Shingles, Planks, Spars and Beams, imported into the ſaid free Ports, from the South, or North-American Colonies; ſhall, on their Importation, pay a Duty of two and an Half per Cent. and may be re-ſhipped without any other Expence, provided they have been duly reported at the Cuſtom-Houſe.

6th Article. It is alſo permitted, that all Rum and Melaſſes, made at St. Croix, imported thence into the ſaid free Ports, and duly reported at the Cuſtom-Houſe there, ſhall not only be imported Duty free; but may, as well as the Rum and Melaſſes, made in the ſaid free Ports, upon a due Report at the Cuſtom-Houſe, be exported Duty free.

7th Article. For all Slaves, brought into the ſaid free Ports, by foreign Veſſels, ſhall be paid into our Coffers, a Duty as follows: For a Full-grown Slave, Four Pieces of Eight; for a Half-grown ditto, Two Pieces; and for a Child, One Piece.——Which Duty having been once paid, ſuch Slave may then be exported Duty free.

8th Article. All Goods, brought into the ſaid free Ports, with ſuch Guinea Veſſels, that is to ſay, Elephants Teeth, Dye-Wood, &c. ſhall pay a Duty inward of five per Cent. of their Value; which being paid, they may be exported free from other Duty.

SECOND CONDITION.

Relating to Veſſels owned by our own Subjects, with the Goods imported and exported in them.

1ſt Article. All Veſſels owned by our own Subjects, and trading to the ſaid free Ports, ſhall (if they expect Advantage from the following Privileges) not only be navigated with Officers and Seamen of our own Subjects, according to the Regulations in that Caſe made, but ſhall moreover on every Voyage be furniſhed with our Sea-Paſs, which ſhall not ſerve longer than for one Voyage from Europe to America, and back again; and ſhall, with an Indorſement of the Officers of our Cuſtoms, in ſaid free Ports, be returned to our Weſt-India and Guinea Chamber of Cuſtoms.

2d Article. All Goods, brought in the ſaid free Ports, in Veſſels owned by our Subjects, and furniſhed with our Paſs, from foreign Countries, of any Nation ſoever, ſhall, on Importation, pay two and an Half per Cent. of their Value.——But in Caſe ſuch Goods cannot be ſold, in the ſaid free Ports, they may be exported thence Duty free, provided they are exported in the ſame Veſſel, and in the ſame Voyage in which they were imported; but if they are exported in another Bottom, the two and an Half per Cent. muſt be paid.

3d Article. On the contrary, all Goods brought into the ſaid free Ports, in Veſſels owned by our Subjects, and furniſhed with our Paſs, being the Products of any of our Dominions, ſhall, upon proper Certificates for that Purpoſe, obtained at the Place from whence they came, and produced to the proper Officers in the ſaid free Ports, importing that they are the Products of ſome of our Dominions, be admitted free of Duty:——And further, all Goods of foreign Countries, permitted under certain Reſtrictions to be imported into our Metropolis of Copenhagen, and ſhipped Home, may be imported into the ſaid free Ports, Duty free, provided the ſaid Goods have been duly entered and cleared at Copenhagen, and the Duty there ſecured.——But all Goods not duly cleared with proper Certificates, to intitle them to a free Importation, ſhall pay a Duty of two and Half per Cent. as the Goods do, imported from foreign Countries,

4th Article. On all Goods and Wares, exported from the ſaid free Ports, in Veſſels owned by our Subjects, being the Produce of thoſe Iſlands, ſhall be paid a Duty of five per Cent. on their Value, and on the Produce of other American Countries, for which a Duty of two and an Half per Cent. Import, has already been paid, ſhall, on their Export, be paid a further Duty of two and a Half per Cent.—— But all Rum and Melaſſes, brought to the ſaid free Ports from St. Croix, as well as what is made there, ſhall be intirely free from Duty and other Expences.

5th Article. All Slaves, brought from the Coaſt of Guinea, in Veſſels belonging to our Subjects, and furniſhed with our Paſs to the ſaid free Ports, ſhall, agreeable to the Ordinance of the 9th of April, 1764, be imported free from Duty, provided that they remain there for the Uſe and Cultivation of the beforementioned Iſlands: But if they are re-ſhipped from thence to foreign Places, then the ſame Duty ſhall be paid for them, as is ſtipulated under the firſt general Condition, Article 7; and all other Goods brought by our ſhips into the ſaid free Ports from Guinea, ſhall be imported free from Duty, provided that the ſame be brought in the ſaid Bottom, to the City of our Reſidence.——But if the ſame ſhould be ſold, or uſed in the ſaid free Ports, then a Duty of five per Cent. ſhall be paid on their Value.

6th Article. All foreign Sugars, brought from the ſaid free Ports into any of our Dominions and Countries, ſhall not be uſed there, but exported thence to other Places, Altena only excepted, on paying a Duty of one per Cent.

7th Article. If any Veſſel, owned by our Subjects, comes into the ſaid free Ports, without having our Paſs, agreeable to the firſt Article in the firſt Condition; ſuch Veſſel ſhall be obliged to pay the ſame Duty for all Goods brought in, and carried out in Return, as foreign Veſſels are obliged to do by the ſaid firſt Article.

THIRD CONDITION.

The Method of reporting at the Cuſtom-Houſe, Anchorage Money, Salary to Vendue-Maſter, and Weigh Money, ſhall remain as eſtabliſhed by the Ordinance, of the 9th of April, 1764, except where the ſame are altered by theſe Preſents.

FOURTH CONDITION.

With Reſpect to the Trade of St. Croix, That ſhall remain as eſtabliſhed by the aforeſaid Ordinance; and the ſaid free Ports ſhall have no other Liberty to trade there, than is permitted to Foreigners, except in the Articles of Rum and Melaſſes, purſuant to the Privileges hereby granted.

FIFTH CONDITION.

The Duties on the Products of American Iſlands, ſhall alſo remain, and on their Importation here, ſhall be paid over and above the ſame, two and a Half per Cent. on what remains in our Dominions, and one per Cent. on what is exported to foreign Countries; in like Manner, all Goods permitted to be imported from the ſaid free Ports into our Dominions, and exported hence, ſhall pay the ſame Duty; which Duty ſhall alſo be paid into our Coffers at *Altena*, on Goods imported from the free Ports, and uſed there, and exported thence.

Having in this Manner, and agreeable to this our Ordinance, been graciouſly pleaſed to grant a free Commerce, in our free and permitted Ports of St. Thomas and St. John, in America; have thought proper, for the Information of all whom it may concern, to make this public Declaration thereof, that they may govern themſelves accordingly.

This done at our Caſtle of Chriſtianſburgh, our Royal Reſidence, in the City of Copenhagen, April 22, 1767.

Given under our Royal Hand and Seal,

CHRISTIAN, *R.*

ALL Perſons indebted to Mr. JAMES POYAS, are deſired to make Payment, or otherwiſe ſettle with the Subſcriber, at his Store in Tradd-ſtreet, he being fully impowered for that purpoſe.

JOSIAH SMITH, jun.

CONSTANTINOPLE, MAY 2.

THE Grand Seignor has cauſed to be apprehended ſeveral Perſons who made it their buſineſs to give falſe witneſs in the Courts of Juſtice, againſt any perſon who through hatred or intereſt were become their enemies; his Highneſs cauſed them to be ſtrangled, as likewiſe an Armenian, who lodged ſuch people in his houſe, where his Highneſs went incognito.

The plague is broke out in ſeveral quarters of this capital, but the ſuburbs of Pera is as yet free from it.

GENOA, May 30. *On the 26th inſtant, a courier arrived from Paris with diſpatches for M. de Marbœuf, which, it is aſſured, carries orders from the French King to permit the Jeſuits, expulſed lately from Spain, to be placed in the four Preſidi of Corſica, conformable to what had been agreed between the King of Spain and this Republick.*

VIENNA, June 10. *It is impoſſible to deſcribe the univerſal joy and ſatisfaction which is expreſſed by all ranks of people, at the aſſurances now given of the Empreſs Queen's being out of all danger. Her Imperial Majeſty who has ſeen with pleaſure the general anxiety for her ſafety, has ſpoken of it in terms which ſhew the impreſſion it has made; and the Emperor, whoſe behaviour upon this, as indeed upon every other occaſion, ſhews him to be one of the beſt of ſons, joins very heartily and ſincerely in the general rejoicings on this happy event.*

WARSAW, May 30. *Letters from different parts of the kingdom, and from Lithuania, all agree, that a great number of confederations are formed; that the greater part of them are not at all againſt the Diſſidents, but againſt the preſent adminiſtration of public affairs, ſo that they are called* Confederations of Malecontents. *The whole of Lithuania, conſiſting of 24 diſtricts, is actually confederated. The facility with which theſe confederacies are formed is ſurpriſing; that in the province of Siradia was immediately and eagerly ſigned by about 900 gentlemen. All theſe commotions indicate nothing favourable to the public tranquillity, unleſs the approaching Diet find means to appeaſe the ſtorm.*

WARSAW, June 5. *We learn that an extraordinary Diet, for the determination of the affair of the Diſſidents, will be opened on the fifth of October next.*

TOULON, June 8. *A new Frigate of 30 Guns is juſt put upon the Stocks, and it is ſaid that ſeveral more are going to be built. Be this as it may, great Quantities of Ship Timber conſtantly arrive here from different Parts of Italy. By Order of the Court, the Number of Workmen employed at the Works of Fort de la Malque have been greately increaſed within theſe few Days.*

NAPLES, June 9. *Every thing is quiet here with regard to the Jeſuits, there is no more Talk about them. Cardinal Orſini, who is ſet out for Rome, has obtained the King's Permiſſion to converſe with the General of their Order in that City, and even to entertain him at his Table.*

ROME, June 13. *The Cardinals Stoppbani, Caſtelli, Pamfili, and Vanterani, held a Conference a few Days ago with the Cardinal Secretary of State, on the Affairs of Poland.*

They write from Spoletto, that a violent Shock of an Earthquake was felt there on the 4th inſtant at Night, which threw down ſeveral Houſes, and the Caſtles in the Neighbourhood have been greatly damaged, but no lives loſt.

WARSAW, June 27. *Workmen are now employed in contracting the Channel of the Veſtula, in order to increaſe the Rapidity of the Water, and carrying away the Banks of Sand which hinder the Navigation.*

GENOA, June 27. *Letters from Baſtia ſay, that all the Braſs Ordinance had been carried away from Capraia, and replaced with Iron. The Intrenchments made during the Seige are ordered to be deſtroyed, and three ſmall Forts are to be built for the Defence of the Iſland.*

COLOGNE, June 20. *An Inhabitant of the Pariſh of Sintherin died lately aged 105, who never had any Illneſs, and lately walked ſix or eight Leagues a Day.*

ROME, June 20. *Letters from Peſaro ſay, that a Whale has been taken in the Adriatic Sea which weighed 300001b.*

LONDON, JUNE 9.

YESTERDAY *the Sieur Durand had an audience of his Majeſty, to deliver his Credentials.*

In the Courſe of laſt Seſſions of Parliament, 209 Bills received the Royal Aſſent, viz. 95 public, and 114 private, which is the greateſt Number that has received the Royal Aſſent in one Seſſion.

His Majeſty's Poſtmaſters-General have been pleaſed to order the Weſt-India Packet-Boats, for the future, to ſtop two Days at the Iſland of Dominica.

On the 30th ult. died at her Lodgings in Little Turnſtile, Holborn, aged 83, Mrs. Mary Newdigate, relict of Mark Newdigate, Eſq; Fort Major of the Iſland of Rattan, and Grand-Daughter to King Charles II. her Mother being Siſter to the Duke of Monmouth. Mrs Lucy Barlow, alias Walters, of Pembrokeſhire (this Lady's Grandmother) was that Monarch's favourite Miſtreſs.

Letters from Mentz, dated June 12, ſay, that the parliament had that day iſſued an arret, which orders all the Jeſuits, who have not yet taken the oath preſcribed, to take it within a month's time, on pain of forfeiting the advantages devolved to them by the edict of November 1764, and of being rendered unworthy of the King's favour, and obliged to quit the kingdom.

The King of Spain has given orders to expel all the Jeſuits in his Majeſty's dominions, both in America and Aſia; and it is reported that his Majeſty propoſes to ſend thither 3000 other Monks from the different orders eſtabliſhed in this kingdom.

Letters from Paris, dated June 26, ſay, "*We learn from Spain, that in a dungeon belonging to the Imperial College of the Jeſuits at Madrid, they found Father Freſneda, a Jeſuit Miſſionary, who had been confined there 14 years upon bread and water, for altering the will of a lady, who would have left a conſiderable ſum to the Jeſuits. Father Freſneda told her, that the Company was in no want of money, and that ſhe ſhould make a better diſpoſal of it, if ſhe would leave it to portion poor Orphans, and the lady followed his advice. His brethren gave out he was dead.*"

Extract of a Letter from Warſaw, June 17, 1767.

"*There are Advices from the frontiers of Spain, which mention ſome Marks of Diſcontent which have appeared at what has paſſed with reſpect to the Jeſuits. The Governors, Commanders, and Officers of Juſtice, have ſtrict Orders, each in his Department, to ſupport the public Tranquility, to prevent riotous Meetings, and to take into Cuſtody all who ſhall, by Word or Act, oppoſe the King's Intentions. And for guarding againſt any Surprize, as there are only* 80000 *regular Troops in the Kingdom, and* 25000 *Militia, his Catholic Majeſty has deſired the King of France to reinforce ſuch of his Garriſons as are in the Neighbourhood of Spain, in order that the Spaniſh Forces may be aſſiſted, if there ſhould be a Neceſſity, in ſtifling the Spirit of Sedition.*

JULY 11. *Yeſterday there was a Levee at St. James's, after which his Majeſty went to Richmond to dinner.*

It is reported that his Majeſty will this ſummer make a Tour round by Portſmouth, Plymouth, and other ſea-ports, and that a grand review of the fleet, and a ſea-fight will be exhibited at Portſmouth.

There is an account, in the laſt Paris Gazette, of the performance of the Cæſarian operation on the wife of a Shoemaker in that city, with ſucceſs: ſhe never had a child born alive before, and this was the fourth time of her pregnancy. The operation was performed in the night between the 16th and 17th of laſt May, by M. Vermond, aſſiſted by ſeveral Surgeons who had been at the former labours, and two girls were born, one of whom lived ten days, and the other is ſtill in good health. The mother has been perfectly cured, and was able to go to church on the 27th.

They write from Paris, that an eminent Phyſician of that city had lately introduced the practice of electrifying the bed-chambers of ſick patients, by exciting freſh currents of ætherial fire, and thereby expelling noxious vapours, or a peſtilential diſpoſition in the air, and that this method had been found on repeated experiments, a far greater purifier than even the ventilator.

JULY 18. *They write from Senegal, that a Portugueze Ship ſlaving at Biſſaw, had been cut off by an Inſurrection of the Natives and Negroes, who, after murdering Part of the Crew, obliged the Remainder to run the Veſſel on Shore near Cape Roxo, after which they ſet her on Fire.*

The French Conſul at Liſbon has received ſome Diſpatches from the King his Maſter, addreſſed to the King of Portugal, accompanied with ſome Preſents for the Prince of whom the Princeſs of Brazil was lately delivered, and for other Perſons. The Prince's Preſent is a Cockade ſet with Brilliants, the Button in the Form of a Roſe; Don Juan de Braganxa, High Admiral, has received the King of France's Picture ſet with Diamonds; the Prince's Governeſs a Pair of Ear-rings, with a Gold Box; the Patriarch a Diamond Croſs; and the Nurſe a Gold Snuff Box.

Thurſday Afternoon an Experiment of a new Machine for the Preſervation of Lives at Fires, was put in Practice from the Two pair of ſtairs Window at the Fountain Tavern, Ludgate Hill, amidſt a numerous Company of Spectators. A large Hempen Sack, or Bag, capable of holding two grown Perſons, or four Children, is faſtened tight to a ſtrong Rope, the Bottom of which was fixed to a Poſt on the oppoſite Side of the Way, and the Top to a Pulley at the upper End of the Window; when, by Means of another Rope, about 30 *ſeveral Perſons were let down into the Street in leſs than five Minutes; the Moment the Perſons are taken out, the Sack being drawn up again inſtantly.*

We hear from Glouceſterſhire, Worceſterſhire, Herefordſhire and Staffordſhire, that they have Plenty of fine Crops of Corn in thoſe Counties; notwithſtanding the Farmers ſell much dearer than its ſold in London.

PHILADELPHIA, AUGUST 27.

Extracts of ſundry Letters from London of the following Dates, viz. May 9, 1767.

"The Miniſtry ſtill ſtand their Ground; and Lord Chatham ſtill continues to be incapable of giving the leaſt Attention to Buſineſs of any kind. His Diſorder is ſaid to be occaſioned by his repeatedly repelling the Fits of the Gout, when he found them coming upon him, by violent Medicines, which hath thrown the Diſeaſe into his Brain. Thoſe who remember the brilliant Figure he made during the laſt War; who recollect the bold and ſucceſsful Operations in which he was the firſt Mover; and who ſtill admire him as an illuſtrious Character, muſt ſee ſo mortifying, and ſo total a Change, with Pity and Concern.

"Nothing is yet concluded regarding your North-American Affairs. They were to have come on before the Houſe of Commons laſt Week, but were poſtponed on Account of the Indiſpoſition of the Chancellor of the Exchequer, who is ſomewhat afraid of the Oppoſition upon this Occaſion. I know not what will be the Iſſue, as both the Miniſtry, and thoſe out of Power are divided in Opinion. Among the former, C——s T——d is for violent Methods; Mr. Conway for more lenient Meaſures. Among the latter George Grenville is for ſupporting his firſt Opinion regarding the Stamp-Act; the Marquis of Rockingham the contrary. Upon the whole, I believe nothing will be decided this Seſſion; and if Things remain tolerably quiet with you till next Year, I imagine the Affair will drop altogether.

May 16, 1767.

"On Monday laſt the Conſideration of American Affairs was to have come on, and as a full Houſe was expected, every Body but Members were excluded, except the Agents of the Colonies, who had ſpecial Leave to be preſent at the Debates.——But ſo much Time was ſpent that Day upon the Affairs of the Eaſt-India Company, that the other was adjourned till Wedneſday.

"On that Day, when the Houſe was about to proceed on the Affairs of America, the Agents were, by a freſh Order, ſpecially excluded.——The Chancellor of the Exchequer made a long Speech, which thoſe who heard it ſay, was a very fine One, in which he largely expatiated on the Neceſſity of drawing ſome Aids from America, and yet ſuch as ſhould be as little as poſſibly burthenſome to them, or ſhould actually be attended with ſome Advantage.——Of the latter Kind he propoſed a Duty on Wine, Oil, and Fruit imported into the Colonies from Spain, and Portugal, allowing the Ships at the ſame time to go thither directly, without touching at England.——The others were taking off the Drawback on China Ware, and Glaſs, and a Duty on Paper, Painters Colours, and Tea, to be paid in America, the 25 per Cent. on the Tea now left here, being firſt remitted, and the Duty to be 3d. per Pound only.——Mr. Grenville ſlighted theſe Duties as Trifles, and propoſed emitting a Paper Currency for America by Act of Parliament, to be iſſued on Loan, the Intereſt to be diſpoſed of by Parliament.——The Chancellor then ſaid, he was coming to that, having a Bill for that Purpoſe ready to propoſe, inſinuating, that Mr. Grenville had ſtole his Project, and prevented him.——They then went upon the Affair of the Diſobedience of New-York, which Mr. G——— endeavoured highly to exaggerate.——Various Propoſals were made to enforce Obedience for the future. One was to lay a Duty on New-York, beſides thoſe on other Colonies, and to apply the Produce of that Duty, to the Subſiſtence of the Troops in the Barracks.——Another to empower their Officers to quarter the Troops on private Houſes.—Another to empower the Governor to draw on the Treaſurer of the Province for the Sums neceſſary, enjoining the Treaſurer, under a ſevere Penalty, to pay, and indemnify him for ſo doing.——Another, that an Oath, by way of Teſt, ſhould be enjoined to be taken by all Officers, Civil and Military, Counſellors, Aſſembly Men, &c. in the Colonies, before they enter on the Execution of their Truſts, that they believe in, or admitted, the Right of Parliament to tax America, and that they would be faithful to the Parliament, or Words to this Purpoſe. At length, after a long Debate (for they ſat till One in the Morning) it was carried on a Diviſion of 183 to 95, to order in a Bill to prohibit the Governor in New-York to proceed in Legiſlation with the Aſſembly, by conſenting to any Act of theirs, till they had yeilded Obedience to the Act of Parliament here, for quartering of Soldiers in America.——The Minority conſiſted of thoſe who were againſt all ſevere compulſory Meaſures, among whom was Secretary CONWAY.

"The Miniſtry have, in Fact, been greatly embarraſſed with this Affair, being preſſed upon it by the Oppoſition early in the Seſſion, which drew from them an inconſiderate Promiſe, that they ſhould take ſome Meaſures or other, which they haſtily admitted were neceſſary, in order to ſupport the Sovereignty of this Country;——for there is Reaſon to think, that had they been left to themſelves, they would gladly have let the Matter ſleep, and given the Colonies ſome Time to recollect themſelves, and to have come voluntarily into what is here called their Duty. But the Oppoſition will not ſuffer this; and all the real Good-will that the Miniſtry can procure for the Colonies ſeems to be this, That nothing done by one delinquent Colony, ſhould draw Inconveniencies on the reſt, that have not given Offence, and that this laſt mentioned Meaſure with New-York, as the mildeſt of thoſe propoſed, ſhould be taken, ſomething being neceſſary to quiet the Clamours of the Oppoſition, and to ſave the Honour of Parliament."

June 12, 1767.

"During the Debates relating to North-America, and the Eaſt-India Company, none have of late been admitted beſides the Members. They ſtill remain ſitting, and will continue ſo, till towards the End of this Month. With regard to North-America, an Act is brought in, and will certainly paſs, diſabling the Aſſemblies of New-York and Georgia to paſs any Law, and render invalid every Reſolution or Vote, that they ſhall make (other than a Vote for adjourning ſuch Aſſemblies) until they have fully complied with the ſeveral Acts of Parliament made here, for the Quartering of Soldiers in the Colonies. How this will be reliſhed, or what Effect it will have with you, Time will diſcover. For my own Part I am, as a Well-wiſher to both Parties, extremely ſorry, that Matters are not in a better Way of being accommodated, without being obliged to have Recourſe to irritating Meaſures, by which both Sides will in the End be Sufferers, and our common Enemies the ſole Gainers. But as I am far from being apt to deſpond, I ſtill hope that Things will at length take a conciliating Turn.

"As for the Miniſtry, there is at preſent no Talk of any immediate Changes; and I think it is moſt likely, as they have wreſtled through the Seſſion ſo far, they will keep their Stations till towards Winter.——But as the Friends of the Devonſhire, Bedford, Newcaſtle, Grenville, and Rockingham Families are, I am well informed, now firmly united, there is not the leaſt Doubt but they will get into Power again about that Time."

CHARLES-TOWN, SEPTEMBER 29.

SINCE our laſt the Ship Hopewell, Capt. Thomas Turner, arrived here from Cowes; as alſo the Ship Little Carpenter, Capt. Richard Maitland, from London, but brings no later Intelligence than what we have already had.

BOSTON, JULY 23.

From Somerset county, Maryland, we learn that one Francis Auge, died there about three months ago, in a very advanced age. A gentleman of that province, some years ago, having occasion to ride in the neighbourhood where this man lived, and hearing of his great age, had the curiosity to see him. In a letter to his friend and correspondent in this town dated August 9, 1764, he gives the following account of him, as he had it from the man himself: That he was born at Stratford upon Avon, in Warwickshire, England; that his father's name was John, a cutler by trade, and his mother's name Eleanor; that he could remember King Charles I. being beheaded, as he was then a pretty big boy; that he came to this country in a ship from Parkgate, called the Great Tengal, and served his time with one Nicholas Demar on Rappahannock. The gentleman says that at that time he was not less than 130 years of age, had scarce a wrinkle in his face, but thick black hair, with a few grey hairs interspersed, and that his wife, who was then about 80, had a son by him not above 27 years of age.

NEWPORT, (Rhode-Island) AUGUST 10.

Last Monday died at Portsmouth, on this island, Mr. David Lake, in the 87th year of his age, and on Wednesday following was decently interred.—His children, grand children, great-grand children, and great great-grand-children, now living, amount to upwards of 140. He has left a widow in the 87th year of her age, to whom he had been married 67 years.

PHILADELPHIA, AUGUST 27.

On the 10th instant, at Brandywine Hundred, in New-Castle County, died Emanuel Grubb, in the 86th Year of his Age, and the next Day was interred in St. Martin's Churchyard, at Lower Chichester, in Chester County, attended by a large number of his Relations, Neighbours and Acquaintances.—He was born in a Cave, by the Side of Delaware River, not far distant from where he always lived, and died, and was the first Child born of English Parents in this Province.—His Constitution was remarkably healthy during his whole Life, having never been afflicted with any Sickness till a few Days before his Death. His Strength and Activity were surprizing in a Man of his age; he could mount and ride a Horse with as much Dexterity as a Lad of Twenty.—A few Months ago, he rode from his own House to this City and back again, in one Day, which is upwards of 40 Miles. His Memory was equally surprizing, and not in the least impaired, till his Death; he could remember Transactions of a late Date equally well with those which happened in his younger Days. He was exceeding temperate in his Living, seldom making use of spirituous Liquors; and for his peaceable and friendly Disposition, was highly esteemed by all that knew him. This Instance, among many, is a Proof of the Longevity of People born here.

THE Partnership of ANCRUM, LANCE, & LOOCOCK, having been dissolved above a Year, and sundry Persons indebted, seem unconcerned about settling. WE DO HEREBY GIVE NOTICE, That all Accounts unpaid, or at least unsettled to our Satisfaction, by the first of DECEMBER next, (except those who have given us Security) will then be put in Suit.
